

Let Us Study Prophecies about God's Kingdom  
(Isaiah 2:2-4)

Introduction:

1. Last Sunday we studied a dream recorded in Daniel 2 that contained several important prophecies about God's kingdom.
  - a. It would be established when the kings of the 4<sup>th</sup> world empire ruled.
  - b. It would last forever -- it will never be destroyed.
  - c. It would be like a stone that became a great mountain and filled the earth.
2. Today we are studying a number of other prophecies from the Old and New Testaments about God's kingdom.
3. Let us first examine several . . .
